

BENEFITS OF MEMBERSHIP

We need a strong committed membership to stand with us in our mission to preserve Hartford's historic architecture.

As a member of the Hartford Preservation Alliance you will receive our newsletter, bulletins about pressing issues, invitations to walking tours and special events, and opportunities to participate in preservation initiatives in Hartford.

Most important you will be helping to provide a voice for historic preservation in Hartford, which should serve as an example of commitment to protecting the character and beauty of all of Connecticut's historic architecture.

WHO ARE WE?

The mission of the Hartford Preservation Alliance (HPA) is to preserve and revitalize Hartford's unique architectural heritage and neighborhood character.

Buildings with distinctive architecture define our downtown and the character of our neighborhoods. But in recent years demolition has become the common response to problems of blight and neighborhood revitalization.

Hundreds of buildings have been demolished over the last few years, and many more are in danger of being leveled.

HPA views these historic buildings as community assets that can play an important role in creating value and stabilizing neighborhoods in the city. The Hartford Preservation Alliance is seeking to save these buildings and strengthen those neighborhoods before it is too late.

WHAT DO WE DO?

HPA focuses on:

- Educating the public about preservation issues
- Collaborating with interested parties for positive change
- Advocating for rehabilitation of older structures
- Placing appropriate properties on state and federal historic registries

In fulfilling this agenda, we believe that HPA is contributing to Hartford's quality of life and to its future prospects.

HIGHLIGHTS AND SUCCESSES

We have achieved a number of significant accomplishments over the years:

- Adding Hartford neighborhoods to the the National and State Registers of Historic Places
- Successful campaigns to save irreplaceable architectural resources from demolition
- A survey of architecturally significant buildings and streetscapes in Hartford neighborhoods
- Popular walking tours, workshops and events, including our annual Preservation Awards ceremony that recognizes important contributions toward architectural preservation in Hartford

The Hartford Preservation Alliance receives funding from the Connecticut Trust for Historic Preservation, in cooperation with the Connecticut Humanities Council. Funding also comes from the Hartford Foundation for Public Giving and the Surdna Foundation. Many others, including businesses and our members, have contributed to the operation of our organization, and we wish to thank them for their continued support.
